

Farmer Mike's

U-Pick

CSA MEMBERSHIP

2020-2021

The family and supporting staff of Farmer Mike's are extremely excited to announce this season we will be offering our amazing customer base our 3rd Annual CSA Membership Program!!! This year we plan to grow over 20 new items that you will be enjoying throughout our growing season.

For those of you not familiar with the term CSA it stands for Community Supported Agriculture. CSA's are cooperative relationships between the farmer (US) and the community (YOU!!!!). The members (YOU) in the Community pay in advance for a share of the farms seasonal harvest. The members Support the farm (Agriculture) by providing an early source of revenue to help the farm with supplies and the labor to grow crops for you to enjoy.

Our members will receive a "Share" of the farm's harvests on a weekly basis for 23 weeks. Starting Wednesday November 18, 2020 through Wednesday April 28, 2021. This is the best part of our growing season in Southwest Florida. As a bonus the members that join our CSA will get the following membership benefits added at no additional cost.

1. Members will be offered a 10% discount off items purchased in our retail store that are grown by us in addition to the weekly share.
2. Members will receive 20% off items they U-Pick from Farmer Mike's U-Pick fields.  
Those currently include Tomatoes, Strawberries and Cut Flowers.
3. Members will receive 10% off any venue rentals they book with us for events.
4. As an additional thank you this season we will be offering all CSA Memberships (4) Individual Vouchers (Per Membership) for our "Farm Fresh Strawberry Shakes".

# Farmer Mike's 2020-2021 CSA Agreement Form

- A. I understand that as a CSA Member I share the risks and rewards of the season. The weather and factors beyond Farmer Mike U-Pick's control may result in the absence of the crops stated above. Shares are non-refundable after the first pick-up. CSA memberships are limited and may sell out; completing this application does not guarantee membership to the CSA.
- B. I agree to adhere to Farmer Mike's rules and guidelines on the farm and will not damage any of the crops and will move about the farm in a safe manner.
- C. I agree to check in with Farmer Mike's staff before entering any of the CSA Membership U-Pick areas.
- D. Pay full amount of your share(s) with a check made out to Farmer Mike's U-Pick and submit the check in person to our retail store, or mail the check to Farmer Mike's U-Pick 12685 Tower Road Bonita Springs FL 34135.
- E. Flexible payment plan: Early CSA payment helps the farm afford the necessary supplies to produce the freshest and cleanest produce available. However, for the full share ONLY we do allow members to pay in two installments. Simply write two checks, each check would cover half of the cost of the share. Example: if you were to purchase option "1. Full Share Pickup" both checks would be written for \$405.00. The first check would be dated for the day the member signed up and the second check would be postdated for November 18, 2020 the first day the share would be picked up for the season.
- F. CSA shares may also be paid for by debit or credit card in this case the member would submit the application and request for an invoice via email [FarmermikesCSA@gmail.com](mailto:FarmermikesCSA@gmail.com). Miss Emily our "CSA Coordinator" will process the request and send over an invoice. Message us on Facebook or call us at 239.238-4211.
- G. Space will be limited, so signing up early is recommended.

October 31, 2020 will be the last day to sign up for the 2020-2021 CSA year.  
Please print your name in the space provided for the option you select for this season.
